CE Webinar for Healthcare Professionals
Advance Directives and Advance Care Planning

Wednesday, April 12, 2023
1:00 pm EST | 12:00 pm CST | 11:00 am MST | 10:00 am PST

Talking with patients about their goals and preferences for medical care reduce aggressive interventions near the end of life, increase hospice enrollment, improve care satisfaction, and increase the likelihood that patients will die in the setting they prefer, according to studies. The webinar explores the history, application, and types of advance directives, and provides practical advice for engaging in difficult but-necessary conversations with patients and families/caregivers.

Nurse Coach Fellowship Program

The Nurse Coach Fellowship program is an American Holistic Nurses Credentialing Corporation (AHNCC) initiative. Through this initiative AHNCC is collaborating with other nursing organizations to increase inclusivity and diversity among our Nurse Coach certificants. We are committed to uplift the contributions of nurse coaches from a wide range of backgrounds and identities, through knowledge sharing, that honors diverse healing traditions and perspectives. We serve to strengthen the nurse coaching role by broadening sociocultural awareness, in order to enhance our ability to provide optimal holistic care that is inclusive to all. This mission drives us to offer ourselves as instruments of healing, while also committing to equity, diversity, inclusion, belonging, and social justice as unifying forces of equality.

In this two-year Fellowship, recipients are offered a packet that is valued at over \$2500.00 and includes the following:

- Mentorship from an AHNCC certified Nurse Coach for the duration of the application and testing period.
- Free tuition from a recognized Nurse Coach Educational program that covers both the required 80 contact hours and the 60 supervision hours.
- Practice test fee
- Examination Registration cost
- Re-sitting fee if needed
- Free 2nd edition of the Art and Competencies of Nurse Coaching

At the beginning of the Fellowship, fellows are provided with a board-certified nurse coach mentor who will facilitate them in preparing for the national Nurse Coach certification examination and help them navigate through the application process.

The Fellow will have two years to complete the Fellowship program and take the certification examination. A certificate will be provided to participants upon completion of the Fellowship program. Upon completion, participants can also include the Fellowship completion in their CVs.

If you are interested in this opportunity please respond to info@ahncc.org within a week. Names will be entered in a lottery for a chance to receive an AHNCC Nurse Coach Fellowship. The best of luck to you.

AHNCC | 811 Linden Loop | Cedar Park, TX 78613 | 785-267-0943 | info@ahncc.org | www.ahncc.org

JOIN US IN PERSON OR ONLINE FOR THE 2023 SPEAK LIFE! HEALTH EQUITY CONFERENCE

¡Acción ahora! - Action now!

With speakers who are experienced at inspiring action, the conference will focus on Latino health as a lens to look at health equity for all people of color in the Finger Lakes.

We will explore how language, skin tone and color can be barriers to health care and other social determinants of health and see how that impacts equitable health outcomes. Together, we'll honor our Community Equity Champions. Reserve your spot today and get ready to take action!

LEARN MORE ABOUT WHAT TO EXPECT!

 or call 800.272.3900

The Dr. Lemuel & Gloria Rogers African American Health Symposium seeks to raise dementia concern and awareness among African Americans, and educate participants about the resources available in our community for individuals with the disease and their family caregivers. The first African American Health Symposium took place in 2008 and was coordinated by Ralph and Mollie Richards, members of the Alzheimer's Ministry at Mt. Olivet Baptist Church.

In 2015, the symposium was named in honor of Dr. Lemuel Rogers, one of the first African American doctors to build and own a medical building in Rochester, and his wife Gloria. After Dr. Rogers was diagnosed with Alzheimer's, he worked with Ralph, Mollie and the Mt. Olivet Alzheimer's Ministry to advocate for and support families affected by dementia in our community. Following Dr. Rogers' passing, the symposium was renamed to commemorate his and his wife's contributions to health education in the local African American community.

FOR MORE INFORMATION, PLEASE CALL:
 1.800.272.3900 OR VISIT ALZ.ORG/CRF

Join The Alzheimer's Association for their 12th Annual Dr. Lemuel & Gloria Roger's African American Health Symposium. This event will take place Saturday May 6th, 2023. Doors open promptly at 8:00am. Please see flyer for more details. To register for the symposium click this link: <https://lnkd.in/g/Qvi6TP>

RACIAL HEALING CIRCLES

**Racial Healing Circles IX
6 Contact Hours**

Registration Is Free

There are many paths toward social justice and health equity and many hands are needed to make change happen. Building a compassionate healthcare system calls us to engage in dialog and introspection around inclusion and equity.

Racial Healing Circles are an established practice that can provide safe and sacred space for deep discussion.

The AHNA Diversity, Equity and Inclusion Task Force has completed both a pilot racial healing circle session for nurses using literature from social justice work by nurses to frame the circles going forward and five different cohorts.

The circles are comprised of four 90-minute sessions facilitated by trained racial healing circle facilitators. Participants will be guided to explore your own experience of race in your community, work and family. The goal of the racial healing circles is for individuals to become more open and prepared to develop policies that support racial justice within organizations and society from a perspective of compassionate understanding.

Session IX the 3rd Wednesday of each month,
April - July

Wednesday, April 19, 7:30-9:00 pm EDT
Wednesday, May 17, 7:30-9:00 pm EDT
Wednesday, June 21, 7:30-9:00 pm EDT
Wednesday, July 19, 7:30-9:00 pm EDT

Register Now

Successful completion of the program will be based on 100% attendance with 90% on camera active time and completion of a program evaluation.

6 Contact Hours will be awarded

NATIONAL INSTITUTE OF MENTAL HEALTH STRATEGIC FRAMEWORK FOR ADDRESSING YOUTH MENTAL HEALTH

NATIONAL INSTITUTE OF MENTAL HEALTH

STRATEGIC FRAMEWORK FOR ADDRESSING YOUTH MENTAL HEALTH DISPARITIES

Fiscal Years 2022–2031

[Explore the Full Framework!](#)

Purpose

The purpose of the National Institute of Mental Health (NIMH) Strategic Framework for Addressing Youth Mental Health Disparities for fiscal years 2022–2031 is to provide a conceptual approach to help guide NIMH activities, including research funding, stakeholder engagement, and workforce development, related to research on the mental health needs of youth impacted by racial and ethnic health disparities. For the purposes of this Framework, “youth” is defined as persons aged 24 and under.

Strategic Framework for Addressing Youth Mental Health Disparities

NIMH initiated the Strategic Framework for Addressing Youth Mental Health Disparities with the overarching goal of advancing scientific knowledge that can be used to inform policies and practices that will reduce mental health disparities in youth by 2031.

This Strategic Framework is structured to align with and supplement the [NIMH Strategic Plan for Research](#) and the [NIH Minority Health and Health Disparities Strategic Plan](#). In addition, the Framework complements the priorities of collaborating NIH Institutes, Centers, and Offices (ICOs), including but not limited to NIMHD and the *Eunice Kennedy Shriver* National Institute of Child Health and Human Development (NICHD). The NIMH Office for Disparities Research and Workforce Diversity developed the Strategic Framework, which was refined based on feedback received at the December 2021 conference [Identifying Opportunities and Priorities in Youth Mental Health Disparities Research](#), co-hosted by NIMH, NIMHD, and NICHD. Through 2031, NIMH may periodically update the Framework based on stakeholder feedback, emerging challenges and opportunities, and research advances.

NATIONAL HEALTH SERVICES CORPS SCHOLARSHIP PROGRAM

Now Open: NHSC Scholarship Program

Accepting applications March 14 - April 27, 2023 at 7:30 p.m. ET.

Are you passionate about providing health care services to underserved communities? The National Health Service Corps (NHSC) Scholarship Program provides scholarships to health profession students pursuing careers as primary care providers in exchange for their commitment to serve in high-need, underserved communities.

What does the scholarship cover?

- Tuition and eligible fees.
- Items including books, health insurance, and equipment.
- Monthly stipends to assist with living expenses while pursuing your degree.

[Explore the benefits of the NHSC Scholarship Program](#) and the chance to join a community of over 20,000 NHSC members providing culturally competent care to 21 million medically underserved people across the country.

[Sign up](#) to receive information and reminders about the scholarship application process.

[Start Your Application](#)

To be eligible for an NHSC Scholarship you must be:

- A U.S. Citizen (U.S. born or naturalized) or U.S. naturalized.
- Enrolled as a full-time student (or accepted for enrollment).
- Attending - or accepted to attend - an accredited school or program in one of the 50 states, the District of Columbia, or a U.S. territory.
- In an eligible discipline: physician, dentist, nurse practitioner, nurse midwife, or physician assistant.
- Eligible for federal employment.
- Without an existing service obligation.

Full eligibility requirement details are available on the [NHSC Scholarship website](#).

Application Support is Available

Do you have questions about the application process? Our live webinar and Q&A session is the perfect opportunity to get your scholarship questions answered by experienced program experts. Gain confidence to navigate the application process with ease. Q&A is available throughout the webinar. Join any time during the session!
