THE ROCHESTER ACADEMY OF MEDICINE

Hi everyone.

We are excited to kick-off our nomination process for the Rochester Academy of Medicine's **2022 Annual Awards!**

Our award program continues to grow in size, reach and popularity as we now have 15 awards spread across five newly designed award categories:

- *Lifetime Achievement*
- *Distinguished Service*
- *Academic*
- *Student Scholarship*
- *RAoM Volunteer of the Year*

We are also excited to share that, within the *Student Scholarship* category, we are proud to be partnering with The Rochester Black Nurses Association who is sponsoring a new student scholarship titled the "Ms. Rosa Wims - The Heart of Community Health, Bridging the Gap" award. This scholarship will be bestowed upon an undergraduate African American/Black nursing student. Details of this scholarship are within the link below.

Nominations are being accepted now through September 1, 2022 and you can view a full listing of the awards and nomination process by clicking this link: [RAoM 2022 Annual Awards](#).

The award program will be on **October 18, 2022 at 6:30 PM** both in-person (1441 East Avenue) and live-streamed.

Thank you, in advance, for joining in on the nomination process and we look forward to your submissions for what will most assuredly be an excellent award program in October!

Marc
